Dear all at Gew Limited

Thank you so much for your kind donation of £556.55. I can't thank you enough for continuing to support our vital work. We are so grateful you think of us and have raised such significant funds for us over the last couple of years.

I hope that you feel well informed about our service and how your support is making a difference. If you would like to find out more or have any questions, then please get in touch with us at any time.

Amy's husband, Jim, is one of many, many people that we have been able to help through your generosity. Jim told us:

"Without a charity like the Kent Surrey and Sussex Air Ambulance, our life would be very different today, and we are just so thankful.

The difference they can make is so powerful, you just want to make sure they can be there. They wouldn't exist if people didn't give, so I'm very glad they do."

We hope you never have to call on our vital service. But thanks to our amazing supporters like you, we will be there for those who do.

Yours sincerely

Kristel Prestwich
